ETHICS BOWL 2024

The ethics bowl promotes a high level of collaboration between students. Students discuss timely ethical issues and sharpen their critical thinking skills in a friendly environment. An ethics bowl differs from a debate in two ways. First, students choose what position to argue. Second, students are rewarded for refining, and even amending, their initial views when faced with compelling arguments.

How to join?

1. Form a team (up to 7 students, Grades 9 to 12, and a teacher)
2. Register your team
3. Get your complete training package
4. Prepare your team
5. Compete in early March 2024

The Saskatchewan Ethics Bowl is a qualifying event for the national competition in early May.
